_work experience

CallisonRTKL

Chicago, Illinois
(Jul 2018-Current)

Currently employed in the commercial sector, specializes in BIM modeling and renderings. Helped set up in-house Lumion rendering team for quicker, faster renderings. Has handled projects from the Schematic Design Phase up until the Construction Administration phase. Worked on both domestic and international projects (mostly competitions), ranging from a multi-residential project in Chicago to a high rise mixed-use tower in Nanjing, China.

Architectural
Designer

Taubman College of Architecture and Urban Planning

University of Michigan, Ann Arbor, Michigan
(Jan-May 2018)
Taught Structures 324, an Undergraduate course

Graduate
Student
Instructor

7Gen AE

Kalamazoo, Michigan
(May-Aug 2017)
